Pearson Education (US), United States, 2014. Online resource. Book Condition: New. 2nd Revised edition. 229 x 91 mm. Language: English . Brand New Book. John Squires and Karen Wyrick have drawn upon their successes in the classroom and the lab as inspiration for MyMathLab(R) for Developmental Mathematics: Basic Mathematics, Introductory Algebra and Intermediate Algebra. This MyMathLab eCourse provides students with a guided learning path through content that has been organized into small, manageable mini-modules. This course structure includes pre-made tutorials and assessments for every topic, giving instructors an eCourse that can be easily customized for a variety of learning environments. With this revision, the authors have added new applied topics and interactive examples to provide an even more engaging student experience. This package consists of the MyMathLab access kit only, and does not include any supplementary material. ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson s MyLab Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson s MyLab Mastering products. Packages Access codes for Pearson s MyLab Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books if you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase....
