Papers, Poetry Prose offers a reminder to all of us that dealing with life as a teen can be an emotional, difficult, and challenging. It also reminds us that friendships, new experiences and growing up is an amazing experience. Sit back reflect and remember your teen years as these students share theirs. No celebrities here, just dedicated young writers exercising their voices. Papers, Poetry Prose is a teenage perspective on life. Eighth grade students from Pierce Middle School in Waterford, Michigan open their writer s notebooks and inspire other teens to pick up their pens and write. They take on topics that are funny, sad, creative and difficult. The ideas range from tiny hurdles that are faced in daily life, to obstacles that no one should have to face. The writings include poems, memories, stories and insights. The writing presented is created through a writer s workshop format which allowed the students to choose their own topics, revise and peer edit as well as share their ideas and work along the way.
