## WHY DO WE FIGHT?: CONFLICT, WAR AND PEACE

Hachette Children's Group. Hardback. Book Condition: new. BRAND NEW, Why Do We Fight?: Conflict, War and Peace, Niki Walker, It's a big world out there, but what's going on around the world can feel closer to us and more accessible than ever. Twenty-four hour news, the Internet and our increasing global perspective are more and more a part of our daily lives. Information about wars and conflicts on the other side of the world can be in our homes and on our tablets and smartphones instantly. Whether or not your country is directly involved in a conflict or war, nearly every disagreement, every standoff, every war affects our lives in some way. With so many conflicts happening around the world, it makes you wonder - Why Do We Fight? Why Do We Fight? is a book that allows kids to understand that while conflict may be inevitable, war isn't. The reader is shown how small disagreements can escalate to become bigger and more serious ones, by exposing the common elements of conflict: such as prejudice, history, diplomacy, geography and economics. The reader is encouraged to compare world conflicts with the ones in their own lives, to better understand why we fight and what we can do to avoid it.
