

## Channel Catfish Farming Handbook

By C S Tucker

Springer-Verlag New York Inc., United States, 2012. Paperback. Book Condition: New. 228 x 156 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Although catfish have been farmed for about 30 years and catfish farming is the most successful aquacultural enterprise in the United States, there are those who contend that catfish farming is still as much of an art as it is a science. This position is difficult to refute completely, particularly considering that some practices used in catfish farming appear to have little scientific basis. Skill coupled with a small dose of mysticism certainly plays a role in the culture of catfish, and the catfish producer is faced with the unenviable task of rearing an animal in an environment that requires considerable management. Certain aspects may still be an art because research and technical information needed to support the industry have lagged behind industry growth; however, the basic principles underlying catfish farming are based on sound scientific evidence whose foundation was laid in the 1950s by work conducted at state and federal fish hatcheries in the southeastern and midwestern United States. Since that time, several university and government laboratories have expanded the scientific base for...

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
