Paperback. Book Condition: New. Not Signed; 'The best fun I've had with a book' - Liz Loves Books Social media whizz kid, May Sparks has landed her dream job. Well, not quite, but the salary is great and all May has to do is handle the online profiles of Z - list celebrities who have the tendency to say inappropriate things. Easy, right? #wrong May's clients include an ex big brother star (who she's definitely not going to sleep with #neversaynever), a disgraced TV presenter (who wants May to sort out his marriage as well as his Twitter account), and a woman who once flashed her boobs on X-factor. They're all relying on her to turn them into stars. But they're not going to make her job easy. As May is sucked further and further into her job she begins to lose her grip on real life. Her friends don't 'like' her Facebook posts anymore and even her gorgeous neighbour, who once seemed to be on the same wavelength, criticises her career choice. Worse, May's clients start getting trolled by an annoying tweep, who May happens to agree with. Then May's secret online identity is leaked, causing her to start trending on Twitter. It looks like the status update is over. Unless May can leave the superficial social media word behind and find her own voice again. book.
