COMMON MISTAKES

Brand New Book ***** Print on Demand *****.The topic common mistakes is timely in this era where deception is rampant and much contradictions has taken root.What behind the menace is succumbing to false beliefs and wrong concepts that will plunge myriads to eternal perdition.God has destined everybody victory and triumph as Jeremiah29:11says: For i know the plans i have for you, declares the lord, plans to prosper you and not to harm you, plans to give you future. This is what is in the heart of God. The author has outlined and explained in depth the most common mistakes most succumb in relevance to most Bible personalities.God changes not, lest you be experimenting already failed experiment.Why should you be next victim? The most prominent mistake amongst believers is the fact that they expect to receive the kingdom and it benefits rather than seek the kingdom (mathew6:38).The term seek arouses our attention to put effort, be earnest and our response.There those who are ever passive, who expect to receive the benefits of God year to another in vain.
