Dalma Wickham, having been in Athens to learn Greek, arrives at a British Steamer to return to London to find that they will not allow her dog, Twi-Twi, on board. Because she is turned away from the British ship, she walks round the quay and sees a most magnificent yacht. While she is admiring it, a bomb goes off at the end of the quay and the seamen leave the yacht to see what has happened. On an impulse, because she realises it is her last chance of getting Twi-Twi to England, she slips aboard the yacht and hides in one of the empty cabins. It turns out that he is trying to rescue a young woman, the daughter of his secretary, who has been captured by evil white slave traders. How Dalma helps the Earl in freeing the girl when she is about to be sold. How they reach England in safety, but Dalma knows that she...
